**RE: Veteran's Name: BUNCE, Eric Roland**  
**SSN/SN:**  
**Request Number:** [REDACTED]

Dear Recipient:

Thank you for contacting the National Personnel Records Center. We are providing the releasable military service information based on restrictions imposed by the military services consistent with Department of Defense regulations and the provisions of the Freedom of Information Act and the Privacy Act of 1974. Releasable information has been transcribed, photocopied, or a combination of both, in order to comply with your request.

If additional information is needed, the Privacy Act of 1974 requires the written consent (signature) of the individual to whom the record pertains. If the individual is deceased, we must have the written consent of the next of kin and proof of death. The next of kin is defined as: unmarried widow or widower, son, daughter, father, mother, brother or sister. The following are acceptable forms of proof of death:

- Death certificate
- Newspaper article (obituary) or death notice
- Coroner's report of death
- Funeral director's signed statement of death
- Verdict of coroner's jury
- If death occurred outside the United States, any document similar to one of the preceding five, or a report of death signed by a United States consul or other agent of the State Department.

The photograph you requested is not on file at the National Personnel Records Center (NPRC). Individual photographs were not required of all persons who served in the Armed Forces. Therefore, you might want to consider requesting a different type of photograph, like an organizational group photo or photo of any other military subject like aircraft, ships, or vessels from one of the addresses provided in the attached table. Please contact the appropriate address and provide (in addition to the veteran's personal identifying information) any facts that might help locate a photograph (for example, the complete name of the military organization, ship, or vessel; the approximate assignment dates and locations). We regret that our response is not more positive; however, we hope the information we have provided will assist you.
