He is currently residing in the home of [REDACTED], Okeechobee, FL 34974. I know Peter Joseph Schlenker because he lived with my Mom at the aforementioned address for 4 years.
3. At various times between December 2013 and August 29, 2017, I have personally heard Peter Joseph Schlenker make the following statements with regards to the inserted photos that hang on his wall of "fame":
  - a. That he had retired after 21 years of service in the Army.
  - b. That he enlisted in the Army at the age of 17.

  - e. That he retired as the most highly decorated Vietnam Veteran in the State of Florida (see the following medals he displays on his wall of "fame")

- f. That in one battle in Vietnam, his Lieutenant was killed and he had to take over command. It was his small platoon surrounded by battalions of “gooks” and he had to call in fire power just to save their lives because they were out of ammunition and were down to hand-to-hand combat. He displayed a scar on his wrist from enemy bayonet.
- g. That he displayed his stomach and tailbone area where he was shot carrying wounded soldiers out of the battlefield.
- h. That he has over 2000 parachute jumps.
- i. That the below photo was him (however, he later recanted when we called him on it):

- j. That the below photo was taken by his buddy when the helicopters came in to rescue them in Vietnam:

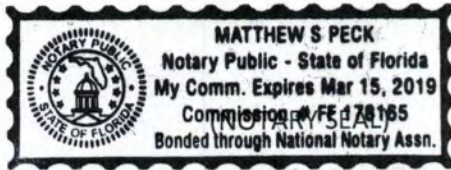

- k. That he stated that he is a lifetime member of VFW.
- l. That he stated that he is a lifetime member of the Purple Heart Club.

- m. That he stated that he has 100% disability through the military and receives money from this and his retirement from the military.
- n. Similarly, I have heard numerous times Peter Joseph Schlenker accept praise for his service in the Vietnam War.
- o. That I have seen Peter Joseph Schlenker's driver's license and it bears the birth year of 1958 which would make him too young to be a Vietnam War hero.
